French Riviera

Beachfront dining at its best. Gazing over the blue waters of the Arabian Gulf, it's easy to imagine you have just sat down in a restaurant on France's famed Côte d'Azur. With a 5-course festive menu that's bursting with fresh ingredients and an open bar with premium beverage including a bottle of champagne per couple it is the perfect spot to welcome in the New Year. Watch the spectacular fireworks display from the beach and continue the festivities with access to an after party at Shimmers.
