The poster features a deep blue background with a wavy horizon line at the top, suggesting the surface of the water. Above the horizon, numerous small, bright stars are scattered across the dark blue sky. Below the horizon, the scene transitions into an underwater world. On the left, a large sea turtle with a brown and white patterned shell swims towards the center. On the right, a white dolphin leaps out of the water, leaving a trail of bubbles. Further right, a large, light-colored nautilus shell is partially visible. In the lower-left corner, several small, glowing jellyfish float. The bottom of the poster is dominated by a vibrant, colorful coral reef with various types of coral in shades of orange, yellow, pink, and purple. Small fish are seen swimming among the coral. The title 'Under the Sea' is written in a large, elegant, serif font, with 'FOR KIDS' in a smaller, simpler font below it. The text is centered and framed by thin horizontal lines with decorative flourishes at the ends.
