In the children's club, where cheerful decorations attract the attention of children, a trained team accompanied by expert kidologists provides services with games and activities suitable for different age groups.

\* While children will have fun and unforgettable moments in a safe environment, with licensed children's shows and activities, which will provide a full summer adventure that will last until 02:00 at night, families will enjoy their holiday.

\*\*Kidolog: A child education specialist who has received pedagogical training. The term "Kidolog" is derived from the word "Kid" and is specific to the Libby & Berty concept.
