A TIMELESS FESTIVE JOURNEY

# *Festive Season*

## 2025-2026

As the sun dips below our cerulean horizon in a blaze of golden light, casting diamonds across the Indian Ocean, we are honoured to welcome you to OZEN LIFE MAADHOO for a festive season unlike any other.

This year, we weave the timeless charm of "A Classical Christmas" with the vibrant spirit of our island home. Traditional garlands swaying to the rhythm of sea breezes, the spice-laden aroma of Maldivian delicacies blending with mulled wine, and coral-stone lanterns illuminating golden ornaments beneath our swaying palms.

As the old year makes way for the new, surrender to our "Mystical Ocean Celebration" - where bioluminescent cocktails mirror the plankton in our lagoon, where pearl-adorned performers move like ocean mortals beneath chandeliers of crystal coral, and where midnight fireworks erupt in harmony with a traditional bodu beru drum crescendo over the waves.

From the first lighting of our driftwood Christmas tree to the final Orthodox Christmas blessing, each carefully crafted moment - whether a champagne toast at water's edge or a dolphin-spotted sunset carol service - carries the whisper of Maldivian tradition and the warmth of holiday joy.

On behalf of our island family, shukuriyyaa for allowing us to be part of your festive story. May these days be filled with the laughter of new friends, the comfort of old traditions, and moments so magical they linger like the scent of our Maldivian Christmas orchids long after your departure.
