

Nunia Aquaarena is inspired by Nun, the ancient Egyptian god of the primordial waters and source of all life. **35,000 m²** with **55 attractions**, serving all age groups through towers with different segments. Nunia is the Middle East's first heated aqua park, features Africa's first water-slide conveyor, and is the first aqua park to operate day and night with evening programs. Blending heritage and innovation, Nunia transforms water, energy, and motion into a one-of-a-kind adventure in the region
