FESTIVE
SEASON
26/27

LUX* GRAND BAIE

Dear Guests, Family and Friends,

It is with great pleasure that I welcome you to LUX* Grand Baie during the most magical and radiant time of the year.

This festive season, we invite you to step into **The House of Light – Where Every Night Shines**, an enchanting world where golden skies melt into the sparkle of velvet nights and every moment is touched by the timeless spirit of celebration.

As the sun sets, our House comes alive with extraordinary experiences: exquisite culinary journeys, moments of wellbeing, joyful family adventures and dazzling celebrations beneath the stars. Every detail has been thoughtfully created to surprise, delight and create memories that linger long after the night has ended. At LUX* Grand Baie, we believe true luxury is found in the moments that make us feel most alive such as a table shared with loved ones, laughter beneath a starlit sky, the shimmer of the ocean or an unexpected moment of magic.

Whether you are discovering us for the first time or returning to a place that feels like home, we are honoured to share this special season with you. On behalf of our entire LUX* Grand Baie family, thank you for allowing us to be part of your celebrations.

May your festive season be filled with joy, wonder and unforgettable moments. And may every night shine a little brighter.

With warmest wishes,
Stephan Anseline,
General Manager

THE HOUSE OF LIGHT — WHERE EVERY NIGHT SHINES

As the festive season unfolds,
The House of Light comes alive at LUX* Grand Baie,
inviting you to experience a celebration filled with light,
warmth and memorable moments.

When daylight fades and the island is bathed in a softer glow,
the resort takes on a new rhythm. Golden skies give way to
candlelit moments, elegant gatherings and celebrations beneath
the stars, revealing a festive world where each evening
brings a new story to life.

At LUX* Grand Baie, luxury is about how a place makes you feel:
connected, inspired and completely present. The House of Light is
an invitation to slow down, come together and savour the joy of the
season in an atmosphere of effortless elegance.

Rooted in the warmth of Mauritian hospitality,
every detail has been considered to create a celebration that feels
both extraordinary and deeply personal, a festive escape
to remember long after the final night has faded.

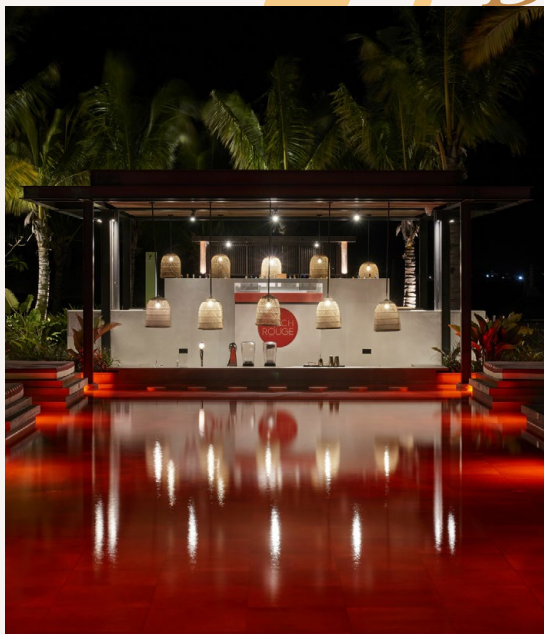

From the first festive light to the first sunrise of the New Year,
The House of Light celebrates the magic of togetherness,
where every experience leaves a lasting glow
and every night shines a little brighter.
